

# CONNECT TO

intuit  
**quickbooks**®

OR

**Quicken**®

Pendleton Community Bank is excited to offer customers the capability to manage their finances by connecting their PCB online banking accounts to QuickBooks® and Quicken®. Talk to one of our Customer Service Representatives today if you need more information on how you can use these powerful tools!

*\* In order to use these services, you will need to purchase and maintain the Quickbooks and Quicken software. The software is not provided by the bank.*
